NOVEMBER 2026 NEWSLETTER

BUILDING BLOCKS ACADEMY

WELCOME NOVEMBER,

November is here, and with it comes cooler weather, colorful leaves, and a season full of warmth and gratitude. This month, we will be learning all about the changes in nature, the meaning of thankfulness, and the special traditions that come with Thanksgiving.

As we get closer to this special holiday, we'll talk about the importance of family, friendship, and sharing. The children will enjoy festive crafts, stories about gratitude, and fun activities that help them appreciate the joy of spending time with loved ones.

Whether your family is traveling or welcoming guests at home, November is a wonderful time to celebrate togetherness. We are excited to help the children reflect on all the things they are thankful for.

Wishing you a joyful and cozy November!
