HAPPY FEBRUARY!

As winter continues, we'll fill our days with love and heartwarming activities that celebrate friendship, family, and kindness—helping little learners grow socially and creatively.

FEBRUARY FAMILY FUN AT HOME

Learning doesn't stop in the classroom! February is a wonderful time for families to connect through simple, meaningful activities. Here are a few easy ideas to enjoy together at home:

Kindness Calendar, Read Together, Heart Crafts, Cook Together, Family Game Time

These activities help strengthen family bonds while supporting your child's social, emotional, and developmental growth. Thank you for partnering with us in making learning fun both at school and at home!
