

JULY 2026 NEWSLETTER

WELCOME, JULY!

Welcome to July, where Summer Camp is in full swing! This is one of the most exciting times of the year, and we're thrilled to watch your children explore, play, and grow through all the fun and enriching camp experiences we've planned.

From creative crafts and outdoor games to nature walks and themed weeks, our summer camp program is designed to spark curiosity, build friendships, and encourage hands-on learning—all while making the most of the sunny season. Each day brings something new, and we love seeing the joy on your children's faces as they discover and connect with the world around them.
