

AUGUST 2026 NEWSLETTER

WELCOME, AUGUST!

As August arrives, we're soaking up the last sunny days of summer with laughter, creativity, and lots of fun-filled activities! This is a wonderful time for our early learners to enjoy outdoor play, splash days, themed crafts, and summer-inspired learning experiences that keep their imaginations blooming.

While we begin to gently introduce back-to-school routines, our focus remains on making the end of summer exciting and memorable. Whether your child is preparing for their next classroom or joining us for the first time, we're here to support them every step of the way with care and excitement.

Let's make these final weeks of summer count—with play, friendship, and smiles all around!
