

OCTOBER 2026 NEWSLETTER

WELCOME, OCTOBER!

October is here, bringing cool breezes, colorful crunchy leaves, and plenty of Fall fun! This month, we will be exploring all that comes with the wonders of autumn. From the colors of fall to getting creative with pumpkins and nature-themed crafts, there's so much to look forward to.

We have lots of exciting things planned, including dress-up days, sensory play, and of course, a fun Halloween Celebration. Thank you for being part of our child care family we can't wait to make magical memories with your little ones this month!

REMINDERS

October is National Bullying Prevention Month, and it's a special time for us to come together and talk with our students—from Preschool and up—about the importance of kindness, respect, and standing up for others. We want every child to understand that bullying is never okay, and that they have the power to help create a safe, caring environment by treating everyone with empathy and speaking up when they see someone being hurt. Let's work together to build a community where everyone feels valued and supported.
